MEAT
— IT'S IN THE BAG

BRIT PREMIUM BY NATURE IS A COMPLETE AND DELICIOUS FOOD WITH A HIGH CONTENT OF MEAT TO ENSURE OUR DOGS A HEALTHY AND HAPPY LIFE.

We carefully select ingredients from natural sources. Brit Premium by Nature is rich in deboned and dried chicken, a natural source of highly digestible protein for healthy muscles and tissues. Oats, an ancient gluten-free cereal grain that doesn't cause food allergies or intolerance, is an excellent source of energy. Collagen obtained from crustacean shells and green-lipped mussels provides natural chondroprotective agents for healthy joints and tendons. Fruits and herbs (chamomile, cloves, citrus, rosemary, curcuma, and dried blueberries) guarantee natural immunity support. Brit Premium by Nature respects the diversity among different breeds and ensures high digestibility and flavour.

**HIGH IN CHICKEN
FOR GREAT DIGESTIBILITY
AND TASTE**

JUNIOR | SMALL S

COMPLETE CHICKEN FORMULA FOR JUNIOR DOGS (1-12 MONTH) OF SMALL BREEDS (1-10KG). ALSO SUITABLE FOR PREGNANT & NURSING BITCHES.
HIGH IN CHICKEN FORMULA.

IMMUNITY AND CONDITION SUPPORT

Fruits, herbs, and turmeric are naturally rich in vitamins and have a positive effect on the immune system. Mannan-oligosaccharides and fructo-oligosaccharides support optimal gut flora.

OPTIMAL BODY AND MUSCLE GROWTH

A high content of dried deboned chicken, a natural source of easily digestible protein, for optimal growth and muscle development.

HEALTHY DEVELOPMENT OF SKELETON

Collagen, crustacean shells, and green-lipped mussels are naturally rich in chondroprotectives and support healthy development of the joints and cartilage. A balanced content of calcium and phosphorous for proper bone and teeth development.

COMPOSITION: chicken 55 % (dehydrated 30 %, deboned 25 %), chicken fat (preserved with mixed tocopherols), oats, wheat, salmon oil (2 %), corn, apples dried, hydrolyzed chicken liver, brewer's yeast, collagen, crustacean shells (a source of glucosamine, 260 mg/kg), cartilage (a source of chondroitin, 180 mg/kg), herbs & fruit (cloves, citrus, rosemary, curcuma, 150 mg/kg), mannan-oligosaccharides (150 mg/kg), fructo-oligosaccharides (100 mg/kg), Mojave yucca (100 mg/kg), chamomile dried (90 mg/kg), green-lipped mussels (a source of glycosaminoglycans, 60 mg/kg), blueberries dried (60 mg/kg).
